

REMARKS

In their previous response, the Listing of the Claims contained extraneous material that had previously been deleted (see Amendments to the Claims on March 9, 2010). The foregoing Listing of Claims now contains a clean version of these amended claims as no amendments were offered in the preceding responses of July 14, 2010 or November 23, 2010. The Examiner is invited to contact the undersigned attorney with any questions, comments or suggestions relating to the referenced patent application.

Respectfully submitted,
